Dear Race Organizers,

Thank you for considering ShadowChase Running Club for your race needs. If you are not already confirmed for the 2016 year we are no longer able to accept new races for timing services although we do rent our equipment. See below for fee schedule.

TIMING SERVICES - \$3.00 per registrant, \$300.00 minimum

If you purchase our timing services: **We will require the minimum fee of \$300.00 as a deposit to reserve your date.** We will assist you in race day registration and race day packet pick up. ShadowChase will set up the finish line and clock, time the runners as they come across the finish line, and provide a computer printout of all age group winners and overall winners, including their times. Results will be posted on the club's website, www.shadowchase.org.

Your registered runner data must be provided to ShadowChase no later than 3 days prior to your event. This data must be supplied to us in a Microsoft Excel format. The spreadsheet must contain bib number, last name, first name, age, gender, email address, and race (if more than one race is offered). The accuracy of the results that ShadowChase provides for your event is primarily dependent on the accuracy and completeness of the data you provide in this spreadsheet. Please contact info@shadowchase.org for a template of the required MS Excel spreadsheet.

DO NOT DUPLICATE BIB NUMBERS FOR RUNNERS REGISTERED IN MULTIPLE RACES. If a runner is registered for more than one race, he/she must be assigned a different number for each race.

If your race is part of our Grand Prix series, when designing your race fliers please ask on the flier if participant is a ShadowChase member.
